BMG TRADA CERTIFIERING

CERTIFICATION DECISION

BMG TRADA Certifiering AB, reg. no. 556458-6930, is accredited by the Swedish Board for Accreditation and Conformity, SWEDAC, to certify conformance to the Environmental Management Systems.

Jirotex Furudahlgruppen AB, reg. no. 556613-1628, has previously one of BMG TRADA Certifiering AB, certified Environmental Management Systems.

Audits performed by the certification body have covered assessment of the documentation, of the system and audit on site at the premises of the company on April 13 and 16, 2018. The audits are reported in special reports by the assessor.

Based on the facts found during the recertification assessment, BMG TRADA Certifiering AB hereby decides to grant certification to the Environmental Management Systems of **Jirotex Furudahlgruppen AB**. The Environmental Management Systems fulfils the requirements of **SS EN ISO 14001:2015**.

The Environmental Management Systems covers the following scope.

Development, production and preparation of laminated products consisting of foam, textile, nonwoven and other polymer materials. Processing to complete product.

Site: SANDARED

The certification is valid as long as the company continues to fulfil the requirements of the **SS EN ISO 14001:2015** and the requirements stipulated by BMG TRADA Certifiering AB in its certification conditions. The annual fee is paid by calendar year in advance.

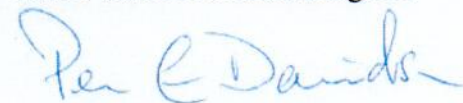

Jirotex Furudahlgruppen AB, has been given certificate no: **14503455**. The certification decision is valid until May 31, 2021 and also onwards after performed obligatory recertification.

Jirotex Furudahlgruppen AB, is authorised to use the certification mark in conjunction with the accreditation mark in accordance with the rules stipulated by BMG TRADA Certifiering AB, see appendix 1. The authorised design of the certification mark is described in appendix 2 or by a digital EPS-file.

BMG TRADA Certifiering AB has the rights to decide to suspend or withdraw the certificate in accordance with the accreditation rules. The certified company can appeal such an action to the advisory committee of the certification body.
